Thank you for choosing **Daniel Bell DPM, PA** as your podiatric provider. You will find enclosed the new patient paperwork. If you have any questions or concerns, please feel free to contact the New Patient Coordinator.

To help expedite your treatment, to ensure your privacy and to correctly file your insurance claims, we ask that you carefully read over the following information and provide the required identification.

1. Please provide our office with your correct insurance card (primary, secondary and tertiary) and photo identification, such as driver's license or other photo ID. It is required these items are to be submitted at the time you check-in.

   Please provide your most recent medical records, which would include any Immunizations, Flu shot, Pneumonia shot, Renal failure documentation, Diabetes Blood testing (HBA1C), and yearly physical documentation, imaging reports and images pertaining to your condition. If your PCP (primary care physician) referred you to our office, please contact them to request that they submit any medical records and/or imaging reports to our office. If you are a self-referred client, please obtain the medical records pertaining to your condition and either bring them to your appointment or have them faxed **(954-432-9446)**. It is your responsibility to ensure that these records are provided to our physician.

2. It is your responsibility to follow up and make sure that an authorization is obtained for any office visits including your initial consultation if your insurance requires said authorization. This would be obtained from your PCP (Primary Care Physician). Please ensure that your PCP has your correct insurance information when requesting an appointment to our facility. If an authorization is not obtained and is required, you may incur fees from your visits or have to reschedule your appointment for another day or time.
3. Finally, there may come a time when you require additional medical and/or insurance forms to be completed by our office. They may include, but are not limited to, Disability Forms, Workers' Compensation Forms, Attending Physician Statement, Leave of Absence forms, etc. **This will not apply to most patients.** However, in order to accommodate these requests, it will necessitate reviewing the chart, staff time and office resources. Therefore,

a reasonable fee for such services will be applied. Forms will not be completed until this fee is received.

4. Every effort will be made to have these forms completed within a 7-10 business day turn-around from the time the fee is received. Please note that if the provider is out of the office there may be a longer delay. This would only apply to completing and filling out above-mentioned forms and **NOT** for completing the enclosed paperwork you received as a new patient to our facility.

Please arrive at your scheduled appointment 15 minutes prior to your appointment time and bring the completed paperwork you received from our office, insurance cards and photo identification. Please note that photo identification and insurance cards are **REQUIRED** at the time of the appointment. If you have any questions, please feel free to contact this office.
